

## Programming Survey

Last year we awarded a total of 4 scholarships of \$1200 each. Our goal this year is to increase the number of scholarships that are awarded but your help is needed. We appreciate your joining the club and while we understand that everyone is busy we need active participation to meet this goal. If you would be kind enough to participate in this short survey this will help us to understand how we can be successful.

	I would like to attend	I would like to volunteer
Dads' Weekend sporting event and/or get-together @ OU		
A Wine Tasting event		
A Beer Tasting event		
A Theater Party @ Playhouse Square		
A Reverse Raffle-Steak Dinner		
A Golf event		
My own idea for an event (describe below)
